

# Eftpos Terminals, Networks & Banks Explained

## 3 Steps to get EFTPOS Set Up for your business

Call Us first - We can direct you to achieve the best solution and results  
**NOTE - Bank Branches don't generally do Eftpos - We can give you the right contact phone numbers**

1. Apply for a Merchant Facility from a Bank and get an Eftpos Merchant & Terminal Number  
**- Application Fees may apply**

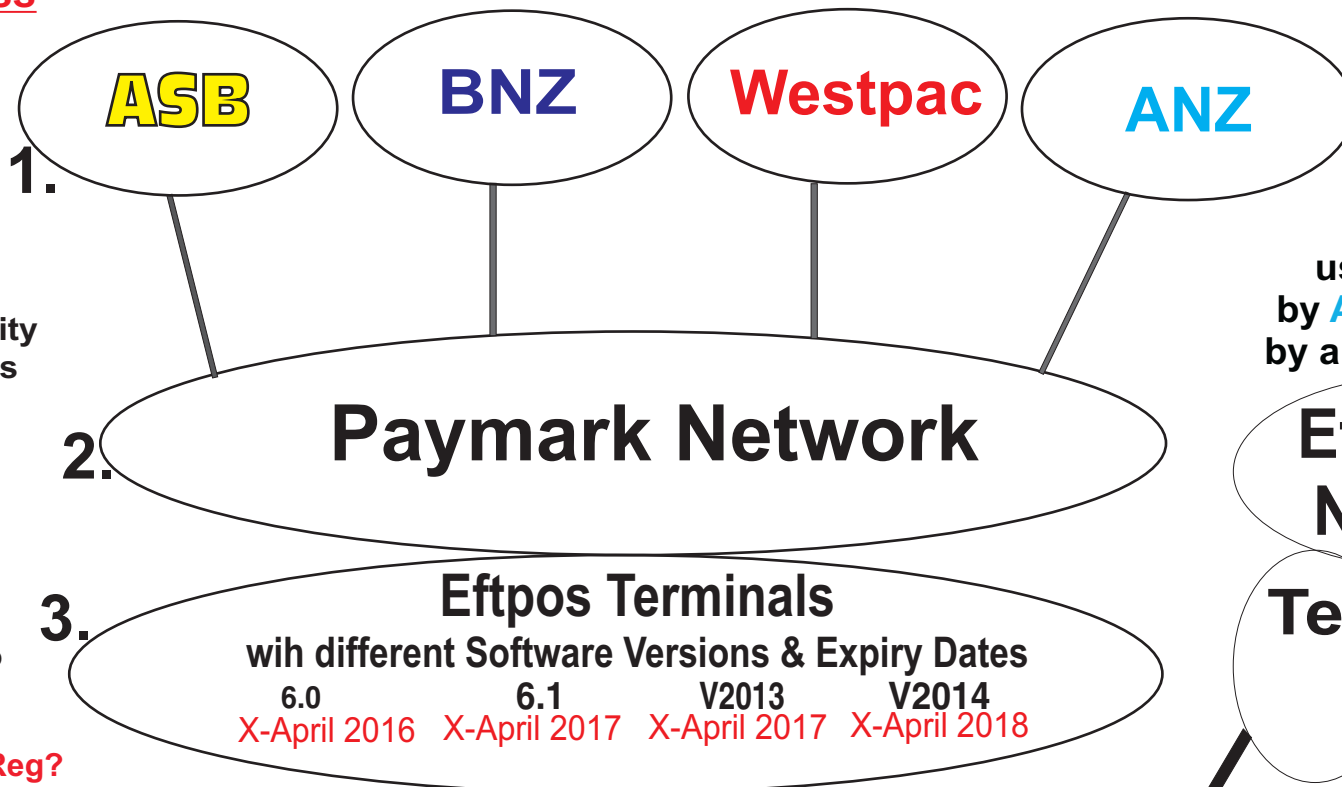

2. We recommend **Paymark** as your Eftpos Network  
 - Monthly Fees apply  
 \$13.50 p/m +GST

3. Choose the best Terminal to suit your wants & needs  
**- Do you want your Eftpos to connect to your POS or Cash Reg?**

**NOTES - Eftpos (Debit) Transactions are Free. Credit Card Transactions do incur Credit Card Fees**

**Mobile Eftpos Terminals require a SIM Card - SIM Card Fees apply**

**Buying Vs Leasing**  
 Ask us about which will suit you best.

**NOTE. EftposNZ used to be owned by ANZ, now owned by a US Co, Verifone**

**Kiwi Eftpos supply Terminals on the Paymark Eftpos Network**

**Dealer supplied Terminals on EftposNZ**

**NOTE - Only the Latest Version Hardware (V3.Kernal) with 2013 or Later Software versions are able to be installed on the Paymark Eftpos Network. (X = Expiry Date)**  
**All new Countertop Terminals are Broadband capable, or Mobiles are GPRS**
